1878_XTKS

Hypothesis

Daito Trust Construction (1878.XTKS, mcap \$7.2B) is conducting a tender offer for THE Global Co. (3271.XTKS) at ¥1,280/share (~19.9% premium). Board has recommended acceptance. Correction filing on Apr 16 is most likely administrative. Spread is very tight (<2%), making this a low-IRR but high-certainty arb. Trade is on the target (3271), not the bidder. Recommendation: WATCH unless spread widens above 3%.
